Effective Assessments

9th February 2017
09.00-12.00 - Apsley

1st March 2017
09.30-12.30 – HDC

29th March 2017
09.30-12.30 – HDC

Target Audience: Families First Front Line Workers

Aim: To provide delegates with a greater understanding and awareness of the assessment cycle, multi-agency assessment framework and how to apply local threshold guidance to support their case work.

Learning Outcomes: By the end of the course, delegates will be able to:

-  Be able to apply local thresholds to evidence need and risk.
-  Have a greater understanding of how to draw on learning from serious case reviews into their practice.
-  Be able to use the assessment cycle to support their case work.
-  Have a greater understanding of the assessment framework and how to apply it in their case work.
