

Downloading High-Resolution Video Clips from British Pathe Web Site

Helpsheet No: 102/V1.0
Date: 17/2/2005

You can download high resolution video clips for **FREE** as long as you're in a Herts school.

Finding Video Clips

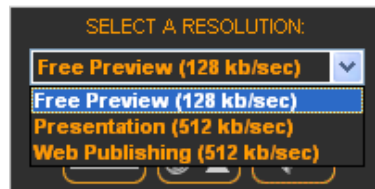

- Go to: www.britishpathe.com
- Type in keyword(s) to search for and identify clips.

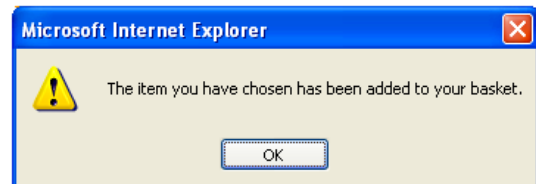

- Click on the  button
British Pathe will display the results of the search
- Scroll down to find the clip of your choice (if necessary)

Add Video Clips to Your Basket

- Click on the down arrow in the SELECT A RESOLUTION BOX
- Select the 512 Kb/sec Presentation option

- Click on the  button
- Select OK to close this menu box

The item you have chosen has been added to your basket. You can find and add more clips to your basket if you wish.

Downloading Video Clips from Your Basket

- From the top of the page, select Basket from the menu bar

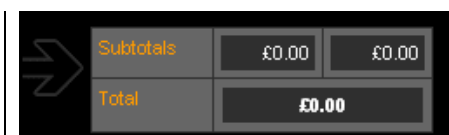

British Pathe will show the clips you have added to your basket. If you have made a mistake or duplicated a choice you can remove it at this stage.

Film ID	Duration or Frame ID	Title	Resolution	Usage	Cost	VAT	X
 27.05	0:04:00:00	WIND TUNNEL	HIGH	PRESENTATION	25.00	4.38	Remove
Discount			Uses		Amount	VAT	X
 Exemption: East of England			Unlimited		25.00	4.38	

Check that you have received a discount for the full cost of your clips.

It should say **Exemption East of England** in the Discount box.

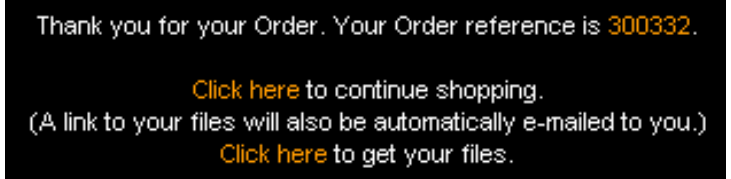

The totals at the bottom of the page should be zero.

- Fill out the Details box with your details
- Ensure you type your email address correctly. An email will be sent to your mailbox giving you the details of where to download the files from - this is really useful if you want to pick up the files from another machine.
- 'Select country of residence' box, select the down arrow and then United Kingdom (it's at the top of the list)
- Select the Yes option from "I have read & understood the British Pathe Terms and Conditions"
- Select 

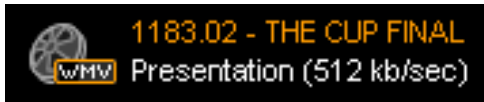

In the middle of your screen you should get a message like this:

- Select Click here to get your files (Or you can go to another machine and login into your mailbox to pick them up.)

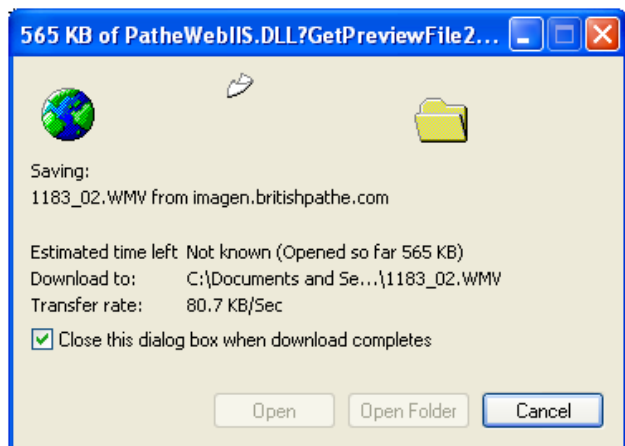

You might get a message to wait while the system locates your files.

In the middle of your screen you should get a message like this:

- Select  to start downloading a Windows Movie file of your clip.
- Select Save from the File Download box and enter the name and location you want in the Save As box

The file should take a minute or two to download. Whilst it is doing so you should see this box.

When the download is finished you can close all the British Pathe boxes and site.

You are now ready to use your Video clip...
