Purchaser (signature): Date:

School Lead subscriber: (required contact for further information, service updates etc)

- Yes, I would like to receive newsletters and other information from Herts for Learning
- Yes, I accept the website terms and conditions of use

For full details, please see overleaf.

For schools in Hertfordshire or bordering counties, a new subscription to this scheme is accompanied by an optional three hour adviser visit, which can include a staff meeting. During this visit we take the subject leader through how the scheme works and we create a resource list, mapping together the school's existing computing resources with the different learning themes in the scheme, identifying any gaps as we go. The visit is charged in addition to the annual subscription fee, at £310 for Herts for Learning shareholders, £350 for non-shareholders.

Please note that it may take up to 5 working days to process your application. You will receive a system email once your registration has been processed. This will be followed by a welcome email containing your username, password and a user guide. Please note that existing subscribers to PA Plus should continue to use existing individual log in details to access the computing scheme resources.

Please return this form via email to: resources@hertsforlearning.co.uk
