Thank you so much for your teaching yesterday. The staff and children were inspired and enlightened by your knowledge. I hope that you weren't too exhausted by the end of it! We definitely kept you talking. Many thanks for the beautiful scroll that you left with us. We intend to display for all to see. Keep up the fabulous work that you do.

THANK YOU

Dear Imran

Thank you so much for coming in to see us last week. We learnt so much about Islam and we were excited to discover the meaning behind Ramadan and Eid.

Our favourite part of the session was when you showed us how you prayed, and when you gave us some dates to eat.

We found the session really useful and we will definitely be using what we learnt in our lessons.

Thank you again,

Dear Imam
SHUKRAN for coming to our school from so far away. We are so grateful that you came to our school to show us about Muslims. I really like how you made some people dress up in the clothes that ^{your} religion wears. I would really like you to come again I learnt so much.

A salamu A laykum
P.S - my hand smells really nice now!

I am so glad you came to our school yesterday- staff and children were honestly buzzing about your visit and all that they had heard and learnt, and really appreciated the humour and in-depth knowledge you shared with them.
Karen Jones, Head of RE, Selby Primary School.

Dear Imam,

Shukram for coming to our school. We thoroughly enjoyed learning about your religion and finding out all about how you say prayers. We hope you visit soon and teach us more. Thank you for everything you have done today.

Just wanted to thank you for your time yesterday. The staff have given very positive feedback regarding the sessions with Years 3 and 4, and also the staff awareness workshop. I hope that the remainder of Ramadan is a blessed time for you, and for later this month... Eid Mubarak!
