

## Wood Machine Safety Course: S1HS, S7HS, S8HS (3 day course)

08DET/004S

Being healthy	Staying safe	Enjoying and achieving	Making a positive contribution	Economic wellbeing
---------------	--------------	------------------------	--------------------------------	--------------------

Trainees and teachers will be able to demonstrate, through practical activities, their capability in using the process of:

- wood sawing machines (S1HS) - includes band saws, circular saws, power fret saws and radial arm saws
- wood turning lathe (S7HS)
- planer/thicknesser machine (S8HS) - includes awareness that this machine should not be used by pupils in compulsory education

Delegates will learn the correct procedures for using each of the above machines including routine maintenance requirements and the types, parts and functions, particularly the controls and safety devices.

By attending the course participants will gain:

- the new TTA and DATA Health & Safety qualification for wood sawing machines (S1HS), wood turning lathe (S7HS) and planer/thicknesser machine (S8HS)
