

## Sand Casting Non-Ferrous Metals (S3HS)

08DET/006S

Being healthy	Staying safe	Enjoying and achieving	Making a positive contribution	Economic wellbeing
---------------	--------------	------------------------	--------------------------------	--------------------

Trainees and teachers will be able to demonstrate, through practical activities, their capability in using the process of sand casting non-ferrous metals. Delegates will learn the correct procedures for using the machinery and routine maintenance requirements (including the types, parts and functions, particularly the controls and safety devices).

By attending this course you will achieve:

- the TTA and DATA Health and Safety qualification for sand casting non-ferrous metals (S3HS)

**Delivered By:** Richard Watson

**Organiser:**

**Cost:** £243 (£275, £324)

**Suitable for Classroom Teachers, Early Career Teachers, Newly Qualified Teachers, Premises Staff, Support Staff, Teaching Assistants, Technicians**
