

EYFS: Observational Assessment

08EAY/030P

Being healthy	Staying safe	Enjoying and achieving	Making a positive contribution	Economic wellbeing
---------------	--------------	------------------------	--------------------------------	--------------------

This course comprises of two sessions with course participants encouraged to complete a mid-course "observational assessment" task.

By attending this course you will:

- improve understanding and knowledge of the role of observational assessment in the Foundation Stage environment
- develop a systematic approach to establishing what pupils know and understand i.e. collection of evidence
- ensure observations and assessments impact on future planning/track pupil progress and inform parents/carers
- review a wide variety of focused/incidental observation systems and proformas
- consider how observational assessments facilitate smooth transitions
