All Phases

A one-day course for those leading educational visits (HCC Level 2), involving young people from school, residential and community settings. There will be opportunities for discussion and the sharing of good practice including an open forum for issues highlighted. Participants should come prepared for a couple of hours walking outdoors, with suitable footwear and waterproofs as appropriate.

At the end of the course participants will have:

- considered the roles and responsibilities of leading trips
- an understanding of the role of residential providers
- explored approaches to running safe trips
- identified how risk assessments can be applied
- an awareness of best practice
